

How to bid

By means of submitting a bid, every bidder accepts and acknowledges the Auction Terms & Conditions. International bidders unknown to Schuler Auctions are requested to submit a copy of their passport and some references from other auction houses. A deposit of up to CHF 10,000 and a copy of a credit card may be requested. Bids below the lower estimate will not be accepted.

Requests for condition reports and detailed photos must be made at least 24 hours before the start of the auction.

There are many ways to participate in the auction and to place a bid:

In person on the auction floor: possible for catalogue numbers 1 – 1999.

Phone bidding: Possible for catalogue numbers 1 – 1999.

We will call you for your auction lots. By registration up to 24 hours before the auction only.

Absentee bid: Possible for all catalogue numbers.

Your maximum bid will be executed against floor bids in your best interest. Submission through a fully completed and duly signed bidding form by mail, fax, email or in person up to 24 hours before the auction. The catalog numbers listed on the bid form, not the description of the item, are binding. Bids will be considered in the order in which they are received. Bids of equal value will be considered in the order in which they are received.

Online: You can bid live online for all auction lots on the following platforms as well as on our website (Catalogue/Live Bidding) or place an absentee bid in advance. Please register at least 24 hours before the auction.

Absentee bids sent directly to Schuler Auktionen will be privileged over online absentee bids of the same value. Buyer's premium parity: Online bidders pay what the floor pays.
